The Hong Kong Medical Association has successfully applied a funding from the Food and Health Bureau to develop HKMA Clinic Management System (CMS) Yuen Wang and HKMA CMS Nu Wa, and for their integration with Electronic Health Record Sharing System (eHRSS). The two systems will be

made available on a not-for-profit basis and free of charge to all private medical practitioners in Hong Kong. Project development has been going smoothly. An introductory workshop is scheduled in March for members. The HKMA will announce workshop details in due course.
